

Dear parents,

DEUTSCHE VERSION AUF DER RÜCKSEITE

The *Familienzentrum Flüügepilz* and the *Familienclub Erlenbach* welcome you to Erlenbach!

You just moved to Erlenbach and now live here with one or more preschoolers?
Are you looking for a playgroup or would you like to get some general information about the offers for families with small children in Erlenbach? Would you like to meet other families with children at the same age? Then you are cordially invited to visit us!

We are centrally located at Schulhausstrasse 40 in Erlenbach. The *Familienzentrum Flüügepilz* itself is a non-denominational, politically neutral institution and is the focal point for concerns and needs of families with small children in Erlenbach.

Most important: there is a family café on Tuesday mornings and Thursday mornings, as well as Thursday afternoons. This is the place for families to meet, share and find answers to their questions in family matters, while the children play with each other.

We also offer several playgroups for kids from about 2 ½ years until kindergarten. Or various yoga groups for women for instance.

Our website www.flüügepilz.ch provides detailed information, but only in German. However, we happily explain and translate everything you would like to know.

Feel free to contact us anytime with your questions: e-mail, phone or just come by. During the opening hours of our café, the manager is present and will be happy to answer your questions.

The *Familienzentrum Flüügepilz* is funded by the local authority and run by *Familienclub Erlenbach*. Members of the *Familienclub Erlenbach* benefit from exclusive events and special fees for play groups and other chargeable services or events. For more information and membership please contact us or check the website www.familienclub-erlenbach.ch.

We are looking forward to welcoming you at the *Familienzentrum Flüügepilz*!

Warm regards,

Kerstin Lee, Management *Flüügepilz*

Maria Brunner, President *Familienclub*
